

## Veterinary Consent Form

A client of your practice has requested referral to Zen Canine Therapy for Galen Myotherapy treatment. Please complete and return this form to [jo@zencaninetherapy.com](mailto:jo@zencaninetherapy.com) to indicate your consent for treatment.

Zen Canine Therapy acknowledges and adheres to the Veterinary Surgeons Act 1966.

I shall send reports via email to update you on the dog's progress after a course of treatments.

### **What is Galen Myotherapy®?**

Galen Myotherapy is a combination of canine massage, lifestyle management and functional exercises and can provide effective pain management for:

- Soft tissue injuries
- Repetitive strain injuries
- Ongoing lameness
- Osteoarthritis
- Hip dysplasia
- Sub luxating patella
- Elbow dysplasia
- Osteochondritis Dissecans
- Cruciate issues
- Spondylitis
- Canine Degenerative Myelopathy
- Whiplash caused from impact at speed
- Compensatory issues

It can also be used to great effect for:

- Behavioural issues relating to pain
- The elderly dog
- Reluctance to be active or slowing down
- Enhancing the health and performance of working / sporting dogs
- Puppy development

Further information can be found on the Galen website: <https://www.galenmyotherapy.co.uk/vets>
